## Independent Auditor's Report

To the Management of  
the Buena Vista Township Emergency  
Medical Services, Inc.  
4931 East Landis Avenue  
Vineland, NJ 08360

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Buena Vista Township Emergency Medical Services, Inc., a Not-for-Profit Organization, which comprise the statement of financial position as of December 31, 2020, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these combined financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Buena Vista Township Emergency Medical Services, Inc. as of December 31, 2020, and the changes in its net assets and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED DECEMBER 31, 2020**

**NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Nature of Activities

Buena Vista Township Emergency Medical Services, Inc. (BVTEMS) (a nonprofit corporation) was recognized as 501(c)(3) incorporated nonprofit organization exempt from income taxes, by the Internal Revenue Service effective October 11, 2011. BVTEMS provides first aid and transportation to the injured and sick in cases of emergency and non-emergency situations in the Township of Buena Vista and the surrounding areas located in Atlantic County, New Jersey.

Basis of Accounting

The financial statements of BVTEMS have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Financial Statement Presentation

BVTEMS has adopted Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations*. Under SFAS No. 117, BVTEMS is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Property and Equipment

Acquisitions in excess of \$1,000 are capitalized. Property and equipment purchased are recorded at cost. Donated assets are recorded at estimated fair market value at the date of donation. Depreciation is computed using the straight-line method based upon the estimated useful lives of the assets.

Restricted and Unrestricted Revenue and Support

BVTEMS has adopted SFAS No. 116, *Accounting for Contributions Received and Contributions Made*. Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

All donor-restricted contributions are reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction end or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

For 2020, all BVTEMS revenue and contributions are recorded as unrestricted.

Income Taxes

BVTEMS is exempt from income taxes under Internal Revenue Code 501(c)(3). Under ASB Topic 740, BVTEMS has evaluated all certain tax positions and deems that more likely than not, all positions would be sustained if an examination occurs by a taxing authority. The years 2016 through 2019 remain open to examination.

Cash and Cash Equivalents

Cash and cash equivalents include all monies in banks and highly liquid investments with maturity of three months or less when purchased. The carrying value of cash and cash equivalents approximates fair value because of the short maturities of those financial instruments.
