

# 115-77 Schedule of District Requirements

[Amended 11-12-1993 by Ord. No. 266-1993; 3-10-1997 by Ord. No. 5-1997; 3-24-2025 by Ord. No. 153-2025]

Minimum required lot area (in acres); minimum required lot width, depth and yards (in feet); and maximum lot coverage (in percent) are shown in the following schedule. Unless specifically authorized elsewhere in this chapter, no building or structure shall exceed 35 feet in height.

District	Area <sup>1</sup> (acres)	Lot Width(ft)	Lot Depth(ft)	Side Yard(ft)	Front Yard <sup>2</sup> (ft)	Rear Yard(ft)	Coverage <sup>5</sup> (percent)
<b>Pinelands Area</b>							
FA1	30.0	300	300	75	200	100	3
FA2	30.0	300	300	75	200	100	3
FA3	20.0	300	300	75	200	100	5
AP	40.0	300	300	75	200	100	3
APC	2.5	135	150	20	75	25	35
API <sup>3</sup>	5.0	200	200	50	75	25	35
RDR1	3.2	150	150	30	200	25	25
RDR1C	3.2	150	150	30	200	25	25
RDR1I	3.2	150	150	30	200	25	25
RDR2	5.0	150	150	30	200	25	25
RDI	10.0	200	200	50	75	25	25

## NOTES:

<sup>1</sup> Notwithstanding the minimum lot area set forth above for the Pinelands Area, different minimum lot area requirements are specified in §§ [49-75](#) through [49-87](#) below for combined parcel homesteads in Forest Areas, for farm-related housing in Agricultural Production Districts and for culturally related and substandard lot housing in several Pinelands Districts. Except for PV and PT Districts, nonresidential uses may require larger lot areas to meet the water quality standards of § [49-51](#), whether or not the lot may be served by a centralized sewage treatment system.

[Amended 4-26-1993 by Ord. No. 253-1993]

<sup>2</sup> May be less in specific cases as permitted by § [49-52B](#).

<sup>3</sup>

[Added 5-12-1997 by Ord. No. 11-1997; amended 7-28-1997 by Ord. No. 18-1997]

<sup>4</sup>

[Amended 5-27-1997 by Ord. No. 12-1997]

<sup>5</sup> May increase to 50% for temporary greenhouses proposed to be used at a qualified farm as defined in § [49-6](#). See § [49-134](#).

[Added 10-13-1998 by Ord. No. 18-1998]
